LEGISLATIVE COUNSEL'S DIGEST

SB 820, as amended, Committee on Business, Professions and Economic Development. Consumer affairs: professions and vocations.

Existing law provides for the licensure and regulation of various professions and vocations by boards and bureaus within the Department of Consumer Affairs. Existing law requires that certain examinations for licensure be developed by or in consultation with the Office of Examination Resources in the department, as specified.

This bill would rename that office the Office of Professional Examination Resources.

Existing law prohibits a person from holding himself or herself out to the public as a professional fiduciary without a license. Existing law

specifies that a violation of certain requirements to be registered, licensed, or certified to engage in certain businesses is punishable as an infraction subject to specified procedures and fines.

This bill would make a violation of the professional fiduciary licensure requirement punishable as an infraction, thereby imposing a state-mandated local program.

Existing law, the Bagley-Keene Open Meeting Act, requires a state body, as defined, to provide prescribed notice of its meetings to any person who requests ~~the~~ *that* notice in writing. Existing law provides for the licensure and regulation of accountants by the California Board of Accountancy and requires the executive officer of the board to give at least 7 days' notice of board meetings. Existing law authorizes the board to appoint an administrative committee and an advisory committee for certain purposes and requires members of the administrative committee to hold office for one year.

This bill would designate the advisory committee as the qualifications committee and would require members of that committee and the administrative committee to hold office for 2 years. The bill would require notice of each meeting of the board to be given in accordance with the Bagley-Keene Open Meeting Act.

Existing law provides for the licensure and regulation of landscape architects by the California Architects Board. Existing law requires the board to ascertain the qualifications of applicants for a license by means of written examination. Under existing law, the board may waive the written examination for a person licensed out of state, as specified, if the person has passed an equivalent examination and a supplemental examination, as specified.

This bill would also require an out-of-state licensee to submit proof of job experience equivalent to that required of California applicants in order to waive the written examination.

Existing law, the Contractors' State License Law, provides for the licensure and regulation of contractors by the Contractors' State License Board. Existing law imposes specified requirements on home improvement contracts and service and repair contracts and requires contractors to pay subcontractors within a specified period of time. Existing law makes it a misdemeanor for a person to engage in the business or act in the capacity of a contractor without a license and provides certain exemptions from that licensure requirement, including exemptions for owner-builders, as specified. Existing law authorizes

the Registrar of Contractors to issue citations for violations of that licensure requirement, as specified.

This bill would make various technical, nonsubstantive changes to those provisions.

Under existing law, a person who violates the law by engaging in work as an owner-builder without a contractor's license or an exemption from licensure is prohibited from obtaining a contractor's license for a period of one year following the violation.

This bill would delete that prohibition.

Existing law, the Collateral Recovery Act, provides for the licensure and regulation of repossession agencies by the Bureau of Security and Investigative Services under the supervision and control of the Director of Consumer Affairs. The act defines "collateral" as any vehicle, boat, recreational vehicle, motor home, appliance, or other property that is subject to a security agreement. The act prohibits a person from engaging in the activities of a repossession agency unless the person holds a valid agency license or is exempt from licensure, as specified. Under the act, a person may be actively in charge of only one repossession office at a time. A violation of the act is a misdemeanor.

This bill would specify that the act also applies to trailers and would authorize a person to be actively in charge of 2 repossession offices at a time. The bill would prohibit a licensee from appraising the value of any collateral. Because a violation of that prohibition would be a crime, the bill would impose a state-mandated local program.

Existing law sets forth a procedure for the removal, inventory, and storage of personal effects from repossessed collateral. Existing law allows a debtor to waive the preparation and presentation of an inventory in certain circumstances and authorizes a repossession agency to release those personal effects to someone other than the debtor when authorized by the debtor or legal owner. Existing law requires specified special interest license plates that remain the personal effects of the debtor to be removed from the collateral and inventoried and requires the destruction of those plates and notification to the Department of Motor Vehicles if the plates are not claimed by the debtor within 60 days.

This bill would authorize a debtor to make that waiver only with the consent of the licensee and would authorize the release of personal effects to someone other than the debtor only when authorized by the debtor. The bill would also authorize a licensee to retain those special interest license plates indefinitely for return to the debtor, as specified.

Existing law provides that whenever possession is taken of any vehicle by or on behalf of any legal owner under the terms of a security agreement or lease agreement, the person taking possession is required to notify specified law enforcement agencies within one hour after taking possession of the vehicle and by the most expeditious means available. Failure to provide that notice is an infraction.

This bill would require separate notifications for multiple vehicle repossessions. By changing the definition of a crime, the bill would impose a state-mandated local program.

Existing law, the Funeral Directors and Embalmers Law, provides for the licensure and regulation of embalmers and funeral directors by the Cemetery and Funeral Bureau. Existing law requires an applicant for an embalmer's license to, among other things, have successfully completed a course of instruction in a specified embalming school and to either furnish proof of completion of a high school course or evidence of licensure and practice for a certain period of time prior to application.

This bill would instead require the applicant to have graduated from a specified mortuary science program and to furnish official transcripts from that program. The bill would make other conforming changes.

Existing law requires the applicant to pass an examination including specified subjects and requires the bureau to examine applicants at least once annually.

This bill would require the applicant to pass the funeral services sciences section of a specified national examination and an examination on the state's laws and the rules and regulations of the bureau and would delete the requirement that the board examine applicants at least once annually. The bill would, until June 30, 2010, authorize an applicant who failed the examination previously administered by the bureau to retake that examination.

Existing law, the Real Estate Law, provides for the licensure and regulation of real estate brokers and salespersons by the Real Estate Commissioner. Existing law authorizes the commissioner to issue rules and regulations he or she deems necessary to regulate the method of accounting and to accomplish certain purposes related to advance fees, as specified.

This bill would make certain nonsubstantive, technical changes to those provisions.

Existing law, the Automotive Repair Act, provides for the registration, licensure, and regulation of automotive repair dealers, lamp and brake adjusting stations, and smog check stations and technicians by the

Bureau of Automotive Repair in the Department of Consumer Affairs and requires the Director of Consumer Affairs to validate—a *an automotive repair dealer* registration upon receipt of a specified form and fee. Existing law authorizes the director to refuse to validate or invalidate—a *that* registration for ~~specified acts, among other things, a conviction for providing consideration to insurance agents for referrals.~~ Under existing law, the director may deny, suspend, revoke, or take other disciplinary action against lamp and brake adjusting station or smog check station and technician applicants and licensees for, among other things, the conviction of a crime substantially related to the qualifications, functions, and duties of the licensee.

This bill would ~~instead~~ require the director to issue—a *an automotive repair dealer* registration upon receipt of a specified form and fee and would authorize the director to deny, suspend, revoke, or place on probation a registration for ~~specified acts, among other things, conviction of a crime that is substantially related to the qualifications, functions, or duties of an automotive repair dealer.~~ The bill would also authorize the director to deny, suspend, revoke, or take other disciplinary action against lamp and brake adjusting station and smog check station and technician applicants and licensees for the conviction of a crime substantially related to the qualifications, functions, or duties of that licensee.

Existing law establishes the vehicle inspection and maintenance (smog check) program, administered by the Department of Consumer Affairs and prescribes certain cost limits for repairs under the program. Existing law requires a smog check station where smog check inspections are performed to post a sign advising customers of those cost limits.

This bill would instead require the department to provide licensed smog check stations with a sign informing customers about their options when a vehicle fails a smog check inspection, as specified.

The bill would make other technical, nonsubstantive changes.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: yes.

The people of the State of California do enact as follows:

SECTION 1. Section 139 of the Business and Professions Code is amended to read:

139. (a) The Legislature finds and declares that occupational analyses and examination validation studies are fundamental components of licensure programs. It is the intent of the Legislature that the policy developed by the department pursuant to subdivision (b) be used by the fiscal, policy, and sunset review committees of the Legislature in their annual reviews of these boards, programs, and bureaus.

(b) Notwithstanding any other provision of law, the department shall develop, in consultation with the boards, programs, bureaus, and divisions under its jurisdiction, and the Osteopathic Medical Board of California and the State Board of Chiropractic Examiners, a policy regarding examination development and validation, and occupational analysis. The department shall finalize and distribute this policy by September 30, 1999, to each of the boards, programs, bureaus, and divisions under its jurisdiction and to the Osteopathic Medical Board of California and the State Board of Chiropractic Examiners. This policy shall be submitted in draft form at least 30 days prior to that date to the appropriate fiscal, policy, and sunset review committees of the Legislature for review. This policy shall address, but shall not be limited to, the following issues:

(1) An appropriate schedule for examination validation and occupational analyses, and circumstances under which more frequent reviews are appropriate.

(2) Minimum requirements for psychometrically sound examination validation, examination development, and occupational analyses, including standards for sufficient number of test items.

(3) Standards for review of state and national examinations.

(4) Setting of passing standards.

(5) Appropriate funding sources for examination validations and occupational analyses.

(6) Conditions under which boards, programs, and bureaus should use internal and external entities to conduct these reviews.

(7) Standards for determining appropriate costs of reviews of different types of examinations, measured in terms of hours required.

1 (8) Conditions under which it is appropriate to fund permanent
2 and limited term positions within a board, program, or bureau to
3 manage these reviews.

4 (c) Every regulatory board and bureau, as defined in Section
5 22, and every program and bureau administered by the department,
6 the Osteopathic Medical Board of California, and the State Board
7 of Chiropractic Examiners, shall submit to the director on or before
8 December 1, 1999, and on or before December 1 of each
9 subsequent year, its method for ensuring that every licensing
10 examination administered by or pursuant to contract with the board
11 is subject to periodic evaluation. The evaluation shall include (1)
12 a description of the occupational analysis serving as the basis for
13 the examination; (2) sufficient item analysis data to permit a
14 psychometric evaluation of the items; (3) an assessment of the
15 appropriateness of prerequisites for admittance to the examination;
16 and (4) an estimate of the costs and personnel required to perform
17 these functions. The evaluation shall be revised and a new
18 evaluation submitted to the director whenever, in the judgment of
19 the board, program, or bureau, there is a substantial change in the
20 examination or the prerequisites for admittance to the examination.

21 (d) The evaluation may be conducted by the board, program,
22 or bureau, the Office of Professional Examination Resources of
23 the department, the Osteopathic Medical Board of California, or
24 the State Board of Chiropractic Examiners or pursuant to a contract
25 with a qualified private testing firm. A board, program, or bureau
26 that provides for development or administration of a licensing
27 examination pursuant to contract with a public or private entity
28 may rely on an occupational analysis or item analysis conducted
29 by that entity. The department shall compile this information, along
30 with a schedule specifying when examination validations and
31 occupational analyses shall be performed, and submit it to the
32 appropriate fiscal, policy, and sunset review committees of the
33 Legislature by September 30 of each year. It is the intent of the
34 Legislature that the method specified in this report be consistent
35 with the policy developed by the department pursuant to
36 subdivision (b).

37 SEC. 2. Section 146 of the Business and Professions Code is
38 amended to read:

40 violation of any code section listed in subdivision (c) or (d) is an

1 infraction subject to the procedures described in Sections 19.6 and

11 infraction, is punishable by a fine of not less than two hundred
12 fifty dollars (\$250) and not more than one thousand dollars
13 (\$1,000). No portion of the minimum fine may be suspended by
14 the court unless as a condition of that suspension the defendant is
15 required to submit proof of a current valid license, registration, or

7 department on the pass rates of applicants who sat for the Western
8 Regional Examining Board examination, compared with the pass

18 with Section 2484. In consultation with the Office of Professional
19 Examination Resources of the Department of Consumer Affairs,
20 the board shall ensure that the part III examination adequately
21 evaluates the full scope of practice established by Section 2472,
22 including amputation and other foot and ankle surgical procedures,
23 pursuant to Section 139.

24 SEC. 6. Section 4200.3 of the Business and Professions Code
25 is amended to read:

26 4200.3. (a) The examination process shall be regularly

34 once every five years that the examination process meets these
35 national testing standards. If the department determines that the

1 (c) The examination shall meet the mandates of subdivision (a)
2 of Section 12944 of the Government Code.

3 (d) The board shall work with the Office of Professional

11 rates before utilization of the North American Pharmacist Licensure
12 Examination.

13 (f) The board shall report to the Joint Committee on Boards,
14 Commissions, and Consumer Protection and the department as
15 part of its next scheduled review, the pass rates of applicants who
16 sat for the national examination compared with the pass rates of
17 applicants who sat for the prior state examination. This report shall
18 be a component of the evaluation of the examination process that
19 is based on psychometrically sound principles for establishing
20 minimum qualifications and levels of competency.

21 SEC. 7. Section 4200.4 of the Business and Professions Code
22 is amended to read:

15 this state, which is approved by the board pursuant to Section 4939.
16 The length of the clinical internship shall depend upon the grades
17 received in the examination and the clinical training already
18 satisfactorily completed by the individual prior to taking the
19 examination. On and after January 1, 1987, individuals with 800

34 the Government Code). The board shall meet at the call of the
35 president and executive officer, but not less than twice each year.

12 qualifications may appeal to the board in accordance with rules or
13 regulations prescribed by the board. The board on the appeal may

16 SEC. 12. Section 5023 of the Business and Professions Code
17 is amended to read:

18 5023. The board may establish a qualifications committee of
19 its own certified public accountant members or other certified
20 public accountants of the state in good standing, to perform the
21 following advisory duties:

22 (a) To examine the qualifications of all applicants for the license
23 of certified public accountant.

24 (b) To recommend to the board applicants for the certified public

32 initial license fee prescribed by this chapter.

33 (b) The examination shall consist of a written examination. The
34 written examination may be waived by the board if the applicant
35 meets both of the following requirements:

36 (1) Is currently licensed by a United States jurisdiction, Canadian

39 application, and has submitted proof of job experience equivalent
40 to that required of California applicants at the time of application.

1 (2) Has passed the California supplemental examination if, at
2 the time of application, it is required of all California applicants.

3 SEC. 14. Section 7028.7 of the Business and Professions Code
4 is amended to read:

5 7028.7. (a) If upon inspection or investigation, either upon
6 complaint or otherwise, the registrar has probable cause to believe
7 that a person is acting in the capacity of or engaging in the business
8 of a contractor or salesperson within this state without having a
9 license or registration in good standing to so act or engage, and
10 the person is not otherwise exempted from this chapter, the registrar
11 shall issue a citation to that person.

12 (b) Within 72 hours of receiving notice that a public entity is
13 intending to award, or has awarded, a contract to an unlicensed
14 contractor, the registrar shall give written notice to the public entity
15 that a citation may be issued if a contract is awarded to an
16 unlicensed contractor. If after receiving the written notice from
17 the registrar that the public entity has awarded or awards the
18 contract to an unlicensed contractor, the registrar may issue a
19 citation to the responsible officer or employee of the public entity
20 as specified in Section 7028.15.

21 (c) Each citation authorized under this section shall be in writing
22 and describe with particularity the basis of the citation. Each
23 citation shall contain an order of abatement and an assessment of
24 a civil penalty in an amount not less than two hundred dollars
25 (\$200) or more than fifteen thousand dollars (\$15,000).

26 (d) With the approval of the Contractors' State License Board,
27 the registrar shall prescribe procedures for the issuance of a citation
28 authorized under this section. The Contractors' State License Board
29 shall adopt regulations covering the assessment of a civil penalty
30 that shall give due consideration to the gravity of the violation,
31 and any history of previous violations.

32 (e) The sanctions authorized under this section shall be separate
33 from, and in addition to, all other remedies either civil or criminal.

34 SEC. 15. Section 7044 of the Business and Professions Code

8 in completing the project.

9 (B) For projects involving single-family residential structures,

20 exemption in this paragraph on more than two structures more
21 than once during any three-year period.

22 (b) In all actions brought under this chapter, both of the
23 following shall apply:

24 (1) Except as provided in paragraph (2), proof of the sale or
25 offering for sale of a structure by or for the owner-builder within
26 one year after completion of the structure constitutes a rebuttable
27 presumption affecting the burden of proof that the structure was
28 undertaken for purposes of sale.

29 (2) Proof of the sale or offering for sale of five or more
30 structures by the owner-builder within one year after completion
31 constitutes a conclusive presumption that the structures were
32 undertaken for purposes of sale.

33 SEC. 16. Section 7044.01 is added to the Business and
34 Professions Code, to read:

35 7044.01. In addition to all other remedies, any (a) licensed

40 is neither licensed nor exempted from licensure under this chapter.

1 The plaintiff in that action shall not be required to prove irreparable
2 injury and shall be entitled to attorney's fees and all costs incurred
3 in the prosecution of the action, provided the plaintiff is the
4 prevailing party. The defendant in that action shall be entitled to
5 attorney's fees and all costs incurred in the defense against the
6 action, provided the defendant is the prevailing party.

7 SEC. 17. Section 7108.5 of the Business and Professions Code

16 of receipt of each progress payment, unless otherwise agreed to
17 in writing, the respective amounts allowed the contractor on
18 account of the work performed by the subcontractors, to the extent
19 of each subcontractor's interest therein. A prime contractor or
20 subcontractor that fails to comply with this subdivision shall be
21 subject to a penalty, payable to the subcontractor, of 2 percent of
22 the amount due per month for every month that payment is not
23 made as required under this subdivision.

24 (c) If there is a good faith dispute over all or any portion of the
25 amount due on a progress payment from the prime contractor or
26 subcontractor to a subcontractor, the prime contractor or
27 subcontractor may withhold no more than 150 percent of the
28 disputed amount.

32 the prevailing party shall be entitled to his or her attorney's fees
33 and costs.

34 (f) The sanctions authorized under this section shall be separate
35 from, and in addition to, all other remedies, either civil,
36 administrative, or criminal.

37 SEC. 19. Section 7159 of the Business and Professions Code
38 is amended to read:

39 7159. (a) (1) This section identifies the projects for which a
40 home improvement contract is required, outlines the contract

1 requirements, and lists the items that shall be included in the
2 contract, or may be provided as an attachment.

3 (2) This section does not apply to service and repair contracts
4 that are subject to Section 7159.10, if the contract for the applicable
5 services complies with Sections 7159.10 to 7159.14, inclusive.

6 (3) This section does not apply to the sale, installation, and
7 servicing of a fire alarm sold in conjunction with an alarm system,
8 as defined in subdivision (n) of Section 7590.1, if all costs
9 attributable to making the fire alarm system operable, including
10 sale and installation costs, do not exceed five hundred dollars
11 (\$500), and the licensee complies with the requirements set forth
12 in Section 7159.9.

13 (4) This section does not apply to any costs associated with
14 monitoring a burglar or fire alarm system.

15 (5) Failure by the licensee, his or her agent or salesperson, or
16 by a person subject to be licensed under this chapter, to provide
17 the specified information, notices, and disclosures in the contract,
18 or to otherwise fail to comply with any provision of this section,
19 is cause for discipline.

20 (b) For purposes of this section, “home improvement contract”
21 means an agreement, whether oral or written, or contained in one
22 or more documents, between a contractor and an owner or between
23 a contractor and a tenant, regardless of the number of residence
24 or dwelling units contained in the building in which the tenant
25 resides, if the work is to be performed in, to, or upon the residence
26 or dwelling unit of the tenant, for the performance of a home
27 improvement, as defined in Section 7151, and includes all labor,
28 services, and materials to be furnished and performed thereunder,
29 if the aggregate contract price specified in one or more
30 improvement contracts, including all labor, services, and materials
31 to be furnished by the contractor, exceeds five hundred dollars
32 (\$500). “Home improvement contract” also means an agreement,
33 whether oral or written, or contained in one or more documents,
34 between a salesperson, whether or not he or she is a home
35 improvement salesperson, and an owner or a tenant, regardless of
36 the number of residence or dwelling units contained in the building
37 in which the tenant resides, which provides for the sale, installation,
38 or furnishing of home improvement goods or services.

39 (c) In addition to the specific requirements listed under this
40 section, every home improvement contract and any person subject

1 to licensure under this chapter or his or her agent or salesperson
2 shall comply with all of the following:

5 is specified in this article, text in any printed form shall be in at
6 least 10-point typeface and the headings shall be in at least 10-point
7 boldface type.

8 (3) (A) Before any work is started, the contractor shall give the
9 buyer a copy of the contract signed and dated by both the contractor

12 Sections 1689.5 to 1689.14, inclusive, of the Civil Code.

13 (B) The contract shall contain on the first page, in a typeface

22 (4) The contract shall include a statement that, upon satisfactory
23 payment being made for any portion of the work performed, the
24 contractor, prior to any further payment being made, shall furnish
25 to the person contracting for the home improvement or swimming
26 pool work a full and unconditional release from any potential lien
27 claimant claim or mechanic's lien authorized pursuant to Section
28 3110 of the Civil Code for that portion of the work for which
29 payment has been made.

30 (5) A change-order form for changes or extra work shall be
31 incorporated into the contract and shall become part of the contract
32 only if it is in writing and signed by the parties prior to the
33 commencement of any work covered by a change order.

34 (6) The contract shall contain, in close proximity to the
35 signatures of the owner and contractor, a notice stating that the

37 performance and payment bond.

38 (7) If the contract provides for a contractor to furnish joint
39 control, the contractor shall not have any financial or other interest
40 in the joint control.

(8) The provisions of this section are not exclusive and do not relieve the contractor from compliance with any other applicable provision of law.

(d) A home improvement contract and any changes to the contract shall be in writing and signed by the parties to the contract prior to the commencement of work covered by the contract or an applicable change order and, except as provided in paragraph (8) of subdivision (a) of Section 7159.5, shall include or comply with all of the following:

For swimming pools, the project description required under this paragraph also shall include a plan and scale drawing showing the shape, size, dimensions, and the construction and equipment specifications.

(8) If a downpayment will be charged, the details of the downpayment shall be expressed in substantially the following form, and shall include the text of the notice as specified in subparagraph (C):

(A) The heading: “Downpayment.”

(B) A space where the actual downpayment appears.

(C) The following statement in at least 12-point boldface type:

1
2 “THE DOWNPAYMENT MAY NOT EXCEED \$1,000 OR 10
3 PERCENT OF THE CONTRACT PRICE, WHICHEVER IS
4 LESS.”
5

6 (9) If payments, other than the downpayment, are to be made
7 before the project is completed, the details of these payments,
8 known as progress payments, shall be expressed in substantially
9 the following form, and shall include the text of the statement as
10 specified in subparagraph (C):

11 (A) A schedule of progress payments shall be preceded by the

21 each phase of work, including the type and amount of work or
22 services scheduled to be supplied in each phase, along with the
23 amount of each proposed progress payment. IT IS AGAINST THE
24 LAW FOR A CONTRACTOR TO COLLECT PAYMENT FOR
25 WORK NOT YET COMPLETED, OR FOR MATERIALS NOT
26 YET DELIVERED. HOWEVER, A CONTRACTOR MAY
27 REQUIRE A DOWNPAYMENT.”
28

29 (10) The contract shall address the commencement of work to

10 The order must describe the scope of the extra work or change,
11 the cost to be added or subtracted from the contract, and the effect
12 the order will have on the schedule of progress payments.”

13
14 (e) Except as provided in paragraph (8) of subdivision (a) of
15 Section 7159.5, all of the following notices shall be provided to
16 the owner as part of the contract form as specified or, if otherwise
17 authorized under this subdivision, may be provided as an
18 attachment to the contract:

19 (1) A notice concerning commercial general liability insurance.
20 This notice may be provided as an attachment to the contract if
21 the contract includes the following statement: “A notice concerning

29 commercial general liability insurance written by (the insurance
30 company). You may call (the insurance company) at _____
31 to check the contractor’s insurance coverage.”

20 (C) A statement informing the buyer that the contractor’s failure
21 to comply with the requirements of this paragraph does not
22 preclude the recovery of compensation for work performed based
23 upon legal or equitable remedies designed to prevent unjust
24 enrichment.

25 (4) A notice with the heading “Mechanics’ Lien Warning”
26 written as follows:

27
28 “MECHANICS’ LIEN WARNING:

29 Anyone who helps improve your property, but who is not paid,
30 may record what is called a mechanics’ lien on your property. A
31 mechanics’ lien is a claim, like a mortgage or home equity loan,
32 made against your property and recorded with the county recorder.

33 Even if you pay your contractor in full, unpaid subcontractors,
34 suppliers, and laborers who helped to improve your property may
35 record mechanics’ liens and sue you in court to foreclose the lien.
36 If a court finds the lien is valid, you could be forced to pay twice
37 or have a court officer sell your home to pay the lien. Liens can
38 also affect your credit.

39 To preserve their right to record a lien, each subcontractor and
40 material supplier must provide you with a document called a

1 '20-day Preliminary Notice.' This notice is not a lien. The purpose
2 of the notice is to let you know that the person who sends you the
3 notice has the right to record a lien on your property if he or she
4 is not paid.

5 BE CAREFUL. The Preliminary Notice can be sent up to 20
6 days after the subcontractor starts work or the supplier provides
7 material. This can be a big problem if you pay your contractor
8 before you have received the Preliminary Notices.

9 You will not get Preliminary Notices from your prime contractor
10 or from laborers who work on your project. The law assumes that
11 you already know they are improving your property.

12 PROTECT YOURSELF FROM LIENS. You can protect
13 yourself from liens by getting a list from your contractor of all the
14 subcontractors and material suppliers that work on your project.
15 Find out from your contractor when these subcontractors started
16 work and when these suppliers delivered goods or materials. Then
17 wait 20 days, paying attention to the Preliminary Notices you
18 receive.

19 PAY WITH JOINT CHECKS. One way to protect yourself is
20 to pay with a joint check. When your contractor tells you it is time
21 to pay for the work of a subcontractor or supplier who has provided
22 you with a Preliminary Notice, write a joint check payable to both
23 the contractor and the subcontractor or material supplier.

24 For other ways to prevent liens, visit CSLB's Internet Web site
25 at www.cslb.ca.gov or call CSLB at 800-321-CSLB (2752).

26 REMEMBER, IF YOU DO NOTHING, YOU RISK HAVING
27 A LIEN PLACED ON YOUR HOME. This can mean that you
28 may have to pay twice, or face the forced sale of your home to pay
29 what you owe."
30

31 (5) The following notice shall be provided in at least 12-point
32 typeface:

33 "Information about the Contractors' State License Board (CSLB):
34 CSLB is the state consumer protection agency that licenses and
35 regulates construction contractors.

36 Contact CSLB for information about the licensed contractor you
37 are considering, including information about disclosable
38 complaints, disciplinary actions, and civil judgments that are
39 reported to CSLB.
40

1 Use only licensed contractors. If you file a complaint against a
2 licensed contractor within the legal deadline (usually four years),
3 CSLB has authority to investigate the complaint. If you use an
4 unlicensed contractor, CSLB may not be able to help you resolve
5 your complaint. Your only remedy may be in civil court, and you
6 may be liable for damages arising out of any injuries to the
7 unlicensed contractor or the unlicensed contractor's employees.

12
13 (6) (A) The notice set forth in subparagraph (B) and entitled

17 (ii) Subject to the “Seven-Day Right to Cancel,” as set forth in
18 paragraph (7).

19 (iii) Subject to licensure under the Alarm Company Act (Chapter

23 (B) “Three-Day Right to Cancel

24
25 You, the buyer, have the right to cancel this contract within three
26 business days. You may cancel by e-mailing, mailing, faxing, or

36 goods delivered to you under this contract or sale. Or, you may,
37 if you wish, comply with the contractor's instructions on how to
38 return the goods at the contractor's expense and risk. If you do
39 make the goods available to the contractor and the contractor does
40 not pick them up within 20 days of the date of your notice of

1 cancellation, you may keep them without any further obligation.
2 If you fail to make the goods available to the contractor, or if you
3 agree to return the goods to the contractor and fail to do so, then
4 you remain liable for performance of all obligations under the
5 contract.”

6

8 paragraph shall comply with all of the following:

9 (i) The text of the notice is at least 12-point boldface type.

13 and dating the notice form in the signature space.

14 (iv) The notice is written in the same language, e.g., Spanish,
15 as that principally used in any oral sales presentation.

16 (v) The notice may be attached to the contract if the contract
17 includes, in at least 12-point boldface type, a checkbox with the
18 following statement: “The law requires that the contractor give
19 you a notice explaining your right to cancel. Initial the checkbox
20 if the contractor has given you a ‘Notice of the Three-Day Right
21 to Cancel.’”

22 (vi) The notice shall be accompanied by a completed form in
23 duplicate, captioned “Notice of Cancellation,” which also shall be
24 attached to the agreement or offer to purchase and be easily
25 detachable, and which shall contain the following statement written
26 in the same language, e.g., Spanish, as used in the contract:

36 If you cancel, any property traded in, any payments made by
37 you under the contract or sale, and any negotiable instrument
38 executed by you will be returned within 10 days following receipt
39 by the seller of your cancellation notice, and any security interest
40 arising out of the transaction will be canceled.

1 If you cancel, you must make available to the seller at your
2 residence, in substantially as good condition as when received,
3 any goods delivered to you under this contract or sale, or you may,
4 if you wish, comply with the instructions of the seller regarding
5 the return shipment of the goods at the seller's expense and risk.

6 If you do make the goods available to the seller and the seller

9 further obligation. If you fail to make the goods available to the
10 seller, or if you agree to return the goods to the seller and fail to
11 do so, then you remain liable for performance of all obligations
12 under the contract.”

13
14

3 7159.5. This section applies to all home improvement contracts,
4 as defined in Section 7151.2, between an owner or tenant and a
5 contractor, whether a general contractor or a specialty contractor,
6 who is licensed or subject to be licensed pursuant to this chapter
7 with regard to the transaction.

8 (a) Failure by the licensee or a person subject to be licensed
9 under this chapter, or by his or her agent or salesperson, to comply
10 with the following provisions is cause for discipline:

11 (1) The contract shall be in writing and shall include the agreed
12 contract amount in dollars and cents. The contract amount shall
13 include the entire cost of the contract, including profit, labor, and
14 materials, but excluding finance charges.

15 (2) If there is a separate finance charge between the contractor
16 and the person contracting for home improvement, the finance
17 charge shall be set out separately from the contract amount.

18 (3) If a downpayment will be charged, the downpayment may
19 not exceed one thousand dollars (\$1,000) or 10 percent of the
20 contract amount, whichever is less.

21 (4) If, in addition to a downpayment, the contract provides for
22 payments to be made prior to completion of the work, the contract
23 shall include a schedule of payments in dollars and cents
24 specifically referencing the amount of work or services to be
25 performed and any materials and equipment to be supplied.

26 (5) Except for a downpayment, the contractor may neither
27 request nor accept payment that exceeds the value of the work
28 performed or material delivered.

29 (6) Upon any payment by the person contracting for home
30 improvement, and prior to any further payment being made, the
31 contractor shall, if requested, obtain and furnish to the person a
32 full and unconditional release from any potential lien claimant
33 claim or mechanic's lien authorized pursuant to Section 3110 of
34 the Civil Code for any portion of the work for which payment has
35 been made. The person contracting for home improvement may

37 (7) If the contract provides for a payment of a salesperson's
38 commission out of the contract price, that payment shall be made
39 on a pro rata basis in proportion to the schedule of payments made

1 to the contractor by the disbursing party in accordance with
2 paragraph (4).

3 (8) A contractor furnishing a performance and payment bond,
4 lien and completion bond, or a bond equivalent or joint control
5 approved by the registrar covering full performance and payment

The district attorney, city attorney, or city prosecutor shall promptly notify the Bureau of Security and Investigative Services of any conviction resulting from a violation of this section.

SEC. 49. Section 5201 of the Vehicle Code is amended to read:

5201. License plates shall at all times be securely fastened to the vehicle for which they are issued so as to prevent the plates from swinging, shall be mounted in a position so as to be clearly visible, and shall be maintained in a condition so as to be clearly legible. The rear license plate shall be mounted not less than 12 inches nor more than 60 inches from the ground, and the front license plate shall be mounted not more than 60 inches from the ground, except as follows:

(a) The rear license plate on a tow truck *or reposessor's tow vehicle* may be mounted on the left-hand side of the mast assembly at the rear of the cab of the vehicle, not less than 12 inches nor more than 90 inches from the ground.

3 or asphalt material may be mounted not less than 12 inches nor
4 more than 90 inches from the ground.

5 (c) The rear license plate on a truck tractor may be mounted at
6 the rear of the cab of the vehicle, but not less than 12 inches nor
7 more than 90 inches from the ground.

8 (d) The rear license plate of a vehicle designed by the
9 manufacturer for the collection and transportation of garbage,
10 rubbish, or refuse that is used regularly for the collection and
11 transportation of that material by any person or governmental entity
12 employed to collect, transport, and dispose of garbage, rubbish,
13 or refuse may be mounted not less than 12 inches nor more than
14 90 inches from the ground.

15 (e) The rear license plate on a two-axle livestock trailer may be
16 mounted 12 inches or more, but not more than 90 inches, from the

18 (f) A covering shall not be used on license plates except as
19 follows:

20 (1) The installation of a cover over a lawfully parked vehicle
21 to protect it from the weather and the elements does not constitute
22 a violation of this subdivision. Any peace officer or other regularly
23 salaried employee of a public agency designated to enforce laws,
24 including local ordinances, relating to the parking of vehicles may
25 temporarily remove so much of the cover as is necessary to inspect
26 any license plate, tab, or indicia of registration on a vehicle.

27 (2) The installation of a license plate security cover is not a
28 violation of this subdivision if the device does not obstruct or
29 impair the recognition of the license plate information, including,
30 but not limited to, the issuing state, license plate number, and
31 registration tabs, and the cover is limited to the area directly over
32 the top of the registration tabs. No portion of a license plate security

2 on, or affixed to, a vehicle.

3 (h) (1) It is the intent of the Legislature that an accommodation
4 be made to persons with disabilities and to those persons who
5 regularly transport persons with disabilities, to allow the removal
6 and relocation of wheelchair lifts and wheelchair carriers without
7 the necessity of removing and reattaching the vehicle's rear license
8 plate. Therefore, it is not a violation of this section if the reading
9 or recognition of a rear license plate is obstructed or impaired by
10 a wheelchair lift or wheelchair carrier and all of the following
11 requirements are met:

12 (A) The owner of the vehicle has been issued a special
13 identification license plate pursuant to Section 5007, or the person
14 using the wheelchair that is carried on the vehicle has been issued
15 a distinguishing placard under Section 22511.55.

18 assigned to the vehicle transporting the wheelchair.

19 (ii) The decal is displayed on the rear window of the vehicle,
20 in a location determined by the department, in consultation with
21 the Department of the California Highway Patrol, so as to be clearly
22 visible to law enforcement.

23 (2) Notwithstanding any other provision of law, if a decal is
24 displayed pursuant to this subdivision, the requirements of this
25 code that require the illumination of the license plate and the
26 license plate number do not apply.

27 (3) The department shall adopt regulations governing the
28 procedures for accepting and approving applications for decals,
29 and issuing decals, authorized by this subdivision.

30 (4) This subdivision does not apply to a front license plate.

11 with the required stoplamps, may also be equipped with two
12 stoplamps which may be mounted not lower than 15 inches nor

8 or reflected, from being visible to the driver.

9 (h) Any supplemental stoplamp installed after January 1, 1987,
10 shall comply with Federal Motor Vehicle Safety Standard No. 108

12 *that* complies with the federal motor vehicle safety standards
13 applicable to that make and model vehicle shall conform to that
14 applicable safety standard unless modified to comply with the
15 federal motor vehicle safety standard designated in this subdivision.
